

924m2 Allotment With Rural Views!

If you're looking for a place to build and raise you kids in a rural lifestyle or retire to then this could be it. Set on the high side of the street with a slight slope to the front and fenced on three sides a house built here on the right spot would have rural views bearing right down a valley. If you're a first home buyer you can take advantage of the \$20,000 FHOCG which has been extended from last year by the government. Greenmount is a dormitory suburb only 20 minutes to Toowoomba, 5 minutes to Nobby and about 10 minutes from the township of Clifton. It's a delightful drive in rural countryside no matter what direction you head. This block is very worthy of an inspection, arrange one today you'll be glad you did.
