

The Perfect Allotment To Build Your Home!

Greenmount is only a pleasant 20 minute drive south of Toowoomba where you'll find this 809m² block. It's fenced on 3 sides and has a gentle slope from the front of the land to the rear.

A park is close by for the kids to play in plus it offers views to the local mountains and rural surrounds. Greenmount is a delightful suburb with a post office, hotel and primary school.

This allotment represents excellent value for money and is truly worthy of an inspection, call today you'll be glad you did.
