

Office/Retail Space In The Heart Of Toowoomba!

Located in the city centre, just off Ruthven Street, this office/retail space would be ideal for use by a small business such as an accountant, book keeper, hairdresser or beauty clinic.

There are two spacious separate offices, both of which are NBN ready. Additionally there is a toilet, shower and laundry, a separate kitchen area, an outside break area, a separate storage room with shelving and a broom closet and two off street car parks directly adjacent.
